EDUCATION

BANYUWANGI STATE POLYTECHNIC

2023-Now, D4 Program

Software Engineering Technology

SMKN IHYA' ULUMUDDIN

2020-2023, Computer engineering
and Network

TECHNICAL SKILLS

- programming
- Studying network systems
- Deep dive into UI/UX

NON-TECHNICAL SKILLS

- Communication
- Collaboration in teams
- Critical thinking
- Time management

I am an active 2nd semester student at the Banyuwangi State Polytechnic Department Business and Informatics, Study Program Software Engineering Technology. Able to analyze a problem in terms of technology. Look for opportunity to develop and growing in a Technology Company.
